## INTERIM NOTICE—IMPORTANT NOTICES!

### FROM THE PRINCIPAL'S DESK

#### CAR-PARKING IN SCHOOL CAR-PARK

In last week notice I wrote a gentle reminder about Car Park Safety. Thank you to those of you who have been walking around the edge of the car park and not across the middle of it.

There are a couple of Disability Parks in front of the Church Lounge. These are marked with yellow lines (although the lines have faded a little). We do have a few families here at the school who need the use of these parks. On some week days the Church also requires these parks for people who are using the Church Facilities and have mobility issues. **Please do not park in these parks** unless you need them due to disability or mobility issues. It is unfair to those that do require them. If the car park is full you are able to park on Springvale Road and walk into the school to collect your children.  
**Thank you for your attention to this matter.**

### STAFF ONLY FIRST AID TRAINING DAY

A Reminder that on **Thursday next week (12th September)** Staff will be having an onsite training day. We are asking that if you are able to, could you please keep your children home on this day.

If you cannot keep your children home there will be some supervision available at school but children will not be in regular classes.

So that we have an idea of how many students we need to supervise could you please complete the form below and send it to the school office by Monday morning next week (9th September)

You do not need to send back the form if you have made other childcare arrangements for them or are keeping them home.

PLEASE RETURN THIS SLIP TO THE SCHOOL OFFICE by Mon 9th Sept

### NOTICE FROM THE BOARD CHAIR

Thank you to everyone who fed back the person specifications they would like to see in our new Principal. We asked for feedback from all stakeholders including: Iwi, Proprietors, Board, staff, students and our school families.

Feedback was 99.9% positive and from this, I have created the specific aspects we will be looking for in our new Principal. There were a couple of comments that I would have liked to have followed up with the person who made them but because most feedback came in anonymously, I was unable to.

The Principal's position has been advertised in the online Education Gazette with it also going into the print version for the month of September. It has also been advertised through the New Zealand Association of Christian Schools (NZACS).

This closing date for this position is September 27th, 4pm.

Please keep us and this process in prayer and thanks once again for your input. It has been lovely to see that we are all wanting very similar things for our children.

Board Chair
