## **CONTRIBUTION TOWARDS PENS (Biro), GLUE-STICKS AND PENCILS FOR THE YEAR.**

Each class has their own class-set of pens, pencils and glue-sticks rather than each child purchasing and naming their own individual items. This ensures that each child has access to the correct consumable items required and cuts down on children "losing and misplacing" their pens / pencils etc. Tracking down missing pens and pencils can take up valuable class-time. In order for this scheme to work a one-off "Contribution Fee" towards the purchase of the class-set of pens, glue-sticks and pencils is required from each students parent/caregiver at the start of the year. The school then purchases sufficient consumable stationery items (pens, pencils, glue-sticks etc.) for each Junior class for the year (Rooms 1, 2 & 3)
